FLORIDA CONSTITUTION ADVISORY COMMISSION
15 MARION BLOCK, OCALA, FLORIDA

April 11, 1957.

*The Honorable W. A. Shands,
President of the Senate
Capitol Building
Tallahassee, Florida*

Sir:

In accordance with action of the 1955 Legislature, I have the honor on behalf of the Florida Constitution Advisory Commission to submit herewith its report containing recommendations for revision of the state constitution. Copies of this report were prior to the convening of this session furnished to his excellency, the Governor of Florida, the members of the cabinet of the State of Florida, and to the members of the state legislature.

I also have the honor to deliver herewith a handbook on the recommended constitution for Florida, copies of which were also furnished to the same persons.

A liaison committee consisting of the writer as chairman, Attorney General Richard Ervin, Representative Roy Surles, Representative Mallory E. Horne, and Honorable J. Lewis Hall, with headquarters at room 133, Capitol Building is available to carry out any function that may be required of it incident to your disposition of the subject.

The remaining members of the legislative council, who are

ex-officio members of the Florida Constitution Advisory Commission, are ex-officio members of the liaison committee.

Permit me to express to you and through you to the body of the Senate the appreciation of the Commission for the co-operation it has received from all of the members of the legislature who have participated in this work, and especially to the chairman and members of your Committee on Constitutional Amendments.

Respectfully submitted,

Wallace E. Sturgis
Chairman
Florida Constitution
Advisory Commission.

Senator Johnson moved that the preface contained in the Handbook referred to in the foregoing communication from the Chairman of the Florida Constitution Advisory Commission be spread upon the Journal.

Which was agreed to and it was so ordered.

PREFACE

A Concurrent Resolution of the 1955 Legislature created the Florida Constitution Advisory Commission, composed of the President of the Senate, the Speaker of the House of Representatives, the Attorney General, the eight members of the Senate and the eight members of the House of Representatives constituting the Florida Legislative Council, eight members appointed by the Governor, five appointed by the Chief Justice of the Supreme Court, and five appointed by the Board of Governors of The Florida Bar. This Commission was charged with the duty of preparing and submitting to the Governor and to the members of the Legislature recommendations for revision of the state constitution.

The Commission was instructed to preserve the full meaning and effect of the Declaration of Rights, and of Sections 6, 7, 8, 9, 10, 11, 15 and 16 of Article IX, Section 7 of Article X, and Section 18 of Article XII of the present constitution. While several of these provisions have been edited or combined for the purpose of clarity, and several have been transferred to more appropriate subdivisions of the text, the directive of the resolution has been faithfully adhered to.

The Commission herewith submits a draft of its proposals for revision of the Constitution of Florida. The draft omits the article that will contain the schedule to the proposed constitution, as this will necessarily be framed in accordance with the action taken by the Legislature on the overall subject. The article relating to judiciary has been deferred in accordance with resolution shown in the draft.

A pamphlet supplementing this report is in course of preparation. It will contain cross references to the present constitution and explanatory comments to assist in analyzing the draft. Every effort is being made to make it available at the earliest possible date. A close analysis of this draft requires careful consideration of the notes and comments that are to be furnished.

The within draft represents the result of intensive and tedious preliminary study. Protracted public hearings were held over the state; long and arduous work was given by committees of the Commission to which specific subjects were referred for research and report. These in turn received careful consideration and were extensively debated by faithful members of the Commission who have given their time and talents to this undertaking at great personal sacrifice.

It is recognized that several areas of the revision are controversial, which is a healthy circumstance attending any work of such magnitude. It is confidently expected, however, that the majority of the recommendations will meet with instant favor. Nothing would be more erroneous than to assume that because several of the proposals are debatable, the remainder are of little consequence. On the contrary, the great body of the work relates to subjects which have become so firmly engrafted into the present concept of state government as to be elemental, or the need so well recognized as to make the proposal readily acceptable.

Proper recognition will be given in due course to the many individuals, including members of the Legislature, of the Cabinet, public officials, private citizens, and organized groups

who have made outstanding contributions to the development of this report, and to those who are yet to play a major part in accomplishing the final objective. No subject relating to state government has had more widespread interest, has had more wholehearted support from the news agencies, or has been the object of more unselfish service by so many men and women of outstanding capabilities.

The Commission has pursued its responsibility on the premise that the first concern is that which is best for progressive Florida, without regard to sectionalism, and with the steadfast purpose that the proposed constitution should be the best vehicle for the special needs of the state, and that its merit should be so obvious as to promptly excite the favor of all persons of good will.

WALLACE E. STURGIS
Chairman

UNFINISHED BUSINESS

S. B. No. 48—A bill to be entitled An Act amending Sections 516.01, 516.02, 516.03, 516.05, 516.09, 516.11, 516.12, 516.13, 516.14, 516.18, 516.20, 516.21, 516.22, and 516.26, Florida Statutes, and adding a new and additional section as to pre-existing contracts, all relating to and regulating the fees of making loans of less than six hundred dollars in this State, secured or unsecured, at a greater rate of interest than 10% per annum; prescribing the rate of interest and charges therefor; providing for state, county and municipal licensing; and prescribing penalties for the violation of this Act; providing an effective date; providing for separability if any part of this Act is found to be invalid; and repealing Sections 516.04, 516.06, 516.10, 516.25, Florida Statutes, and all laws and parts of laws in conflict with this Act.

Which was pending amendment at the time of adjournment on April 11, 1957, having been read the second time by title, was taken up.

The question was put on the motion made by Senator Pope on April 11, 1957, that the Senate reconsider the vote by which the following amendment to Senate Bill No. 48 failed of adoption:

To strike therefrom subsection (1) of Section 516.14, as amended in Section 9 of the Bill, and insert in lieu thereof the following:

(1)(a) A licensee, subject to the conditions set forth in succeeding paragraph (b) hereof, may lend any sum of money not exceeding six hundred dollars on such security, if any, satisfactory to both the borrower and the licensee, and may charge, contract for and receive thereon interest at a rate not to exceed three per cent per month on that part of the unpaid principal balance not exceeding one hundred fifty dollars, two and one-half per cent per month on that part of the unpaid balance in excess of one hundred fifty dollars and not in excess of three hundred dollars, and one and one-half per cent per month on that part of the unpaid balance in excess of three hundred dollars, but not exceeding six hundred dollars, provided that at the expiration of a period of twelve months following the last contractual installment date the interest on any balance still unpaid shall not exceed ten per cent per year. Interest shall not be payable in advance or compounded and shall be computed on unpaid balances on the basis of the number of days actually elapsed and, for the purpose of such computations, a month shall be any period of thirty consecutive days. If part or all of the consideration for a loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under such loan contract may include any unpaid charges which have accrued within two months on the prior loan and, for the purposes of this chapter, such loan contract shall be deemed a new and separate loan transaction. In addition to the interest herein provided for, no further or other charges or amount whatsoever for any examination, service, brokerage, commission or other thing or otherwise shall be directly or indirectly charged, contracted for or received, except the documentary excise tax and lawful fees, if any, actually and necessarily paid out by the licensee to any public officer for filing or recording or releasing in any public office, any instrument securing the loan, which fees may be collected when the loan is made or at any time thereafter, or actual and reasonable attorney fees as determined by the court in which suit is filed and court costs, including actual and reasonable expenses of repossession, storing and selling of any property pledged as security, as

determined by the Court in which suit is filed. If interest or charges in excess of those permitted by this chapter shall be charged, contracted for or received, except as the result of a bona fide or accidental error, the contract or loan shall be void and the licensee shall have no right to collect or receive any principal, interest or charges whatsoever. In the event of an accidental or bona fide error, the licensee shall refund or credit the borrower with the amount of such overcharge within five days of the discovery of such error.

(b) Notwithstanding any provision in paragraph (a) hereof or in any other part of this act which in effect by its wording appears to authorize a licensee to lend a person not in excess of six hundred dollars, the total principal sum which one or more licensees hereunder may lend any one person shall not exceed the principal sum of six hundred dollars at any one time. To make effective this provision, as a prerequisite to a licensee lending money to an applicant, the licensee shall require the applicant to deliver to the licensee an affidavit executed by the applicant, in which the applicant shall set forth that he does not owe any other licensee any sum of money, or if he does, the principal sum or sums of money owed another licensee or other licensees by the applicant. If such affidavit shall evidence that a principal amount or amounts may be owed another licensee or other licensees but aggregating less than six hundred dollars, the licensee to whom the application is made is authorized to lend the applicant such principal sum as shall not, together with an amount or amounts owed another licensee or other licensees, exceed the sum of six hundred dollars; and in such event the interest which such licensee may charge shall be the amount of interest which the licensee would be authorized to charge for the amount lent the applicant if the aggregate principal sum or sums otherwise owed by the applicant had at that time also been lent to the applicant by the licensee; provided, that if in such affidavit the applicant shall set forth that he does owe amounts to another licensee or other licensees not in excess of six hundred dollars in the aggregate, and that the amount the applicant seeks from a licensee is for the purpose solely or among other things of paying the amount or amounts so owed, the licensee is authorized to lend the applicant not in excess of the principal sum of six hundred dollars, retaining sufficient thereof to pay the amount or amounts owed another licensee or licensees and discharging such other amount or amounts by payment thereof. If any such applicant shall set forth in the affidavit so presented to a licensee that he does not owe another licensee or other licensees, when in fact he does, and if the licensee to whom the affidavit is delivered shall accept the same in good faith and lend money to an applicant in pursuance thereof, the licensee shall not be considered as having violated the provisions of this paragraph, or this act, but the applicant shall be guilty of perjury and upon conviction thereof subject to a fine not in excess of five hundred dollars, or imprisonment in the county jail for not more than six months, or both, in the discretion of the court.

Which was not agreed to and the Senate refused to reconsider the vote by which the foregoing amendment to Senate Bill No. 48 failed of adoption on April 11, 1957.

Interest shall not be payable in advance or compounded and shall be computed on unpaid balances on the basis of the number of days actually elapsed and, for the purpose of such computations, a month shall be any period of thirty consecutive days. If part or all of the consideration for a loan contract is the unpaid principal balance of a prior loan, then the principal amount payable under such loan contract may include any unpaid charges which have accrued within two months on the prior loan and, for the purposes of this chapter, such loan contract shall be deemed a new and separate loan transaction. In addition to the interest herein provided for, no further or other charges or amount whatsoever for any examination, service, brokerage, commission or other thing or otherwise shall be directly or indirectly charged, contracted for or received, except the documentary excise tax and lawful fees, if any, actually and necessarily paid out by the licensee to any public officer for filing or recording or releasing in any public office, any instrument securing the loan, which fees may be collected when the loan is made or at any time thereafter, or actual and reasonable attorney fees as determined by the court in which suit is filed and court costs, including actual and reasonable expenses of repossession, storing and selling of any property pledged as security, as determined by the Court in which suit is filed. If interest or charges in excess of those permitted by this chapter shall be charged, contracted for or received, except as the result of a bona fide or accidental error, the contract or loan shall be void and the licensee shall have no right to collect or receive any principal, interest or charges whatsoever. In the event of an accidental or bona fide error, the licensee shall refund or credit the borrower with the amount of such overcharge within five days of the discovery of such error.

(b) Notwithstanding any provision in paragraph (a) hereof or in any other part of this act which in effect by its wording appears to authorize a licensee to lend a person not in excess of six hundred dollars, the total principal sum which one or more licensees hereunder may lend any one person shall not exceed the principal sum of six hundred dollars at any one time. To make effective this provision, as a prerequisite to a licensee lending money to an applicant, the licensee shall require the applicant to deliver to the licensee an affidavit executed by the applicant, in which the applicant shall set forth that he does not owe any other licensee any sum of money, or if he does, the principal sum or sums of money owed another licensee or other licensees by the applicant. If such affidavit shall evidence that a principal amount or amounts may be owed another licensee or other licensees but aggregating less than six hundred dollars, the licensee to whom the application is made is authorized to lend the applicant such principal sum as shall not, together with an

amount or amounts owed another licensee or other licensees, exceed the sum of six hundred dollars; and in such event the interest which such licensee may charge shall be the amount of interest which the licensee would be authorized to charge for the amount lent the applicant if the aggregate principal sum or sums otherwise owed by the applicant had at that time also been lent to the applicant by the licensee; provided, that if in such affidavit the applicant shall set forth that he does owe amounts to another licensee or other licensees not in excess of six hundred dollars in the aggregate, and that the amount the applicant seeks from a licensee is for the purpose solely or among other things of paying the amount or amounts so owed, the licensee is authorized to lend the applicant not in excess of the principal sum of six hundred dollars, retaining sufficient thereof to pay the amount or amounts owed another licensee or licensees and discharging such other amount or amounts by payment thereof. If any such applicant shall set forth in the affidavit so presented to a licensee that he does not owe another licensee or other licensees, when in fact he does, and if the licensee to whom the affidavit is delivered shall accept the same in good faith and lend money to an applicant in pursuance thereof, the licensee shall not be considered as having violated the provisions of this paragraph, or this act, but the applicant shall be guilty of perjury and upon conviction thereof subject to a fine not in excess of five hundred dollars, or imprisonment in the county jail for not more than six months, or both, in the discretion of the court.
